

Senior Wellness Special

Fox Valley Equine Practice is proclaiming August and September as SENIOR WELLNESS MONTHS and is offering special pricing on senior wellness exams, lab work, and X-rays.

Our goal is to identify any minor issues before they become major problems.

Your FVEP vet will come out and give your senior horse a thorough exam. He/she will make recommendations regarding your horse's health, care and nutritional needs.

This is a good time for owners to work with their vet to develop a strategy designed to meet the needs of your horse.

Limited to 4 horses per visit
